Restoration Solutions for Every Roof & Wall

NOTICE OF AWARD COATING SYSTEMS CONTRACTOR INSTRUCTIONS

Technical Service Department • 2628 Pearl Road • Medina, OH 44256
Phone: 800-551-7081 • Fax: 800-382-1218
republictech@tremcoinc.com

Thank you for selecting Republic products! Republic coating systems are designed to eliminate costly replacement of existing metal, single ply, modified and built-up roof systems. Our unique waterproofing systems for exterior walls completes our restoration package for optimum building protection. To assist you in installing each system in accordance with Republic's specifications and to provide Technical Service Support including contractor training, on-site project inspections and final project acceptance requirements, your cooperation in completing the attached paperwork is essential.

Republic's NOA in a single document provides (1) complete project information, (2) warranty selection and (3) request for inspection. Your prompt attention in providing this information will assist us in timely processing of the project, avoid delays in material shipment and scheduling of requested Technical Service inspections. Please type or use a black or blue ink ball point pen to fill out this form providing for information to "copy" more clearly if transmittal is via fax.

NOTICE OF AWARD (NOA) / REVIEW / APPROVAL

- < Pages 1, 2, and 3 of the NOA are to be faxed or mailed to Republic for review and approval **prior to material shipment**. The NOA form must be received at least two weeks prior to the project starting date, **accompanied with pictures and core cuts**. If the NOA contains incomplete information and/or deviates from our current details and specifications, you will be contacted by Republic's Technical Service staff.
- < Accuracy is important when completing the NOA. The warranty will be printed using the information as submitted on this form. Changes to a warranty after it is issued may delay final payment to you from the building owner.
- < Upon approval by Republic Technical Service, a job number will be assigned and a countersigned copy of the NOA will be forwarded to you.

STANDARD TERMS & CONDITIONS OF SALE

Terms: Our standard terms are 2% 15, net 30 days, F.O.B. nearest stocking warehouse. Payment will also be accepted in the form of Visa and MasterCard. A finance/late charge of 1.5% per month will be charged on all accounts over 60 days old (30 days past due). All accounts 60 days old (30 days past due) will be placed on credit hold until payment is received.

Freight: Standard freight terms are F.O.B. stocking plant or warehouse. Common carrier freight charges to be prepaid and added to invoice as a separate item. All orders 30,000 lbs. Or more, of Republic products, will ship freight prepaid and allowed. With less than truckload, under 30,000 lbs., freight fees are actual charges + 10% administration fee.

Return Goods: All sales are final. No goods may be returned to us for any reason without our prior written authority. See Basis of Sale for details.

Warranties / Guarantees: Seller warrants that products designated, when shipped, conform to product sample and are free from defects in material and workmanship. Any purchase is made upon the condition and agreement that there have been no representation of undertakings made by or on behalf of manufacturer and/or seller, and that THERE ARE NO GUARANTEES OR WARRANTIES, EXPRESSED, IMPLIED, IN FACT OR BY LAW, OF FITNESS OR MERCHANTABILITY except as contained in product specifications distributed by the company

Manufacturer and/or seller shall not be responsible, obligated, or liable for an application or use of or to which the products delivered hereunder may be put, either singly or in combination with other products or ingredients, it being expressly understood and agreed that manufacturer's and/or seller's liability shall in no event exceed the purchase price. Prices will be those in effect at time of delivery.

Note: ALUMANATION®, SOLARGARD® and GEOGARD® are U.S. registered trademarks of Republic Powdered Metals, Inc.

This is to notify Republic Powdered Metals, Inc. (hereinafter referred to as "Republic") that we have been awarded a contract to install the Republic coating system requiring a warranty as selected above. We understand that any warranty will not be in force until all Republic invoices in connection with this project have been paid in full. Additionally, any material & labor performance warranty will not be in force until the project has been satisfactorily completed and inspected by Republic.

Signature of Contractor _____ Print Name _____ Date ____/____/____

Republic Powdered Metals, Inc. reserves the right in its sole discretion to reject or accept projects based upon information provided. Contractor is solely responsible for accuracy of information contained herein. Republic reserves the right to withhold or cancel the issuance of a warranty on this project should Contractor provide inaccurate information.

Republic Powdered Metals, Inc. is not responsible for engineering, dimensions, or quantities of material ordered to complete a project. The roofing contractor should always verify all information about the project with the owner or the owner's representative.
